

## 2-2 パラオ廃棄物セミナー

Japan-Palau Joint Seminar “Importance of Solid Waste Management in Palau”

岡山大学大学院環境生命科学研究科・環境科学専攻

藤原 健史, 永禮 英明

Ministry of Resource and Development, Palau

Mengkur W. Rechelulk

### 1. 研究概要

H24 年 8 月 28 日に、パラオ・コミュニティーカレッジ (PCC) においてセミナーを開催した。このセミナーでは廃棄物管理、3R の重要性、ならびに本プロジェクトでの研究成果について、日本側から 2 件、パラオ共和国の行政官から 2 件、PCC の学生らが 1 件の講演を行った。参加者は PCC 学生、一般参加者、大使館・JICA 等日本関係者など全 84 名であった。

### 2. 開催概要およびプログラム

日時： 平成 24 年 8 月 28 日 (木)

場所： パラオコミュニティーカレッジ (Palau Community College)

セミナータイトル：

Japan-Palau Joint Seminar “Importance of Solid Waste Management in Palau”

プログラム：

- Opening Address by Dr. Patrick Tellei, President of PCC
- “Survey on Solid Waste Generation in Palau and Future Projection”  
by T. Fujiwara (Okayama Univ.)
- “Water Quality Survey in Palau Focusing on the Leachate from Landfill Sites”  
by H. Nagare (Okayama Univ.)
- “Importance of Solid Waste Management in Palau”  
by P. Omelau and PCC students
- “Management of Solid Waste in Palau”  
by Calvin Ikesiil (Ministry of Resource and Development, Palau)
- “Importance of 3R Education”  
by Mengkur Rechelulk (Ministry of Resource and Development, Palau)
- Closing Remark by Mr. Calvin

## Japan-Palau joint seminar slated

The Japan - Palau Joint Seminar is scheduled to be held on Tuesday, August 28, at the Palau Community College (PCC) Assembly Hall.

The gathering will be from 8 AM-12 PM.

The event is a joint undertaking of PCC, Okayama University in Japan, and the Palau National Solid Waste Management.

To be tackled during the

occasion is the importance of solid waste management in Palau. Palau has been working and tackling problems connected to solid waste management with the assistance of Japan, particularly the Japan International Cooperation Agency (JICA), which has implemented solid waste management projects in collaboration with local counterparts. The seminar is open to the public.

## Japan-Palau seminar tackles waste management

*Above: Attendees of the Japan-Palau Seminar on Solid Waste Management listen to a lecture conducted by Dr. Hideaki Nagare, Associate Professor of Okayama University (inset).*

The Japan-Palau seminar on solid waste management was held on Wednesday, August 28, at the Palau Community College (PCC) assembly hall.

The gathering was jointly conducted by PCC, Okayama University in Japan, and the Palau National Solid Waste Management. Scores of people attended the event.

The event started with the opening message by PCC president, Dr. Patrick Tellei.

The event tackled the importance of solid waste management to this island nation.

The lectures and speakers were the following: "Survey on Solid Waste Generation in Palau and Future Projection" by Dr. Takeshi Fujiwara, Professor, Okayama University; "Water Quality Survey in Palau: Fo-

cus on the Leachate from Landfill Sites" by Dr. Hideaki Nagare, Associate Professor, Okayama University; "Importance of Solid Waste Management" by Persis Omelau, PCC Environmental Marine Science student with Kyah Remeliik, Obuokl Shickich, and Itu Bells; "Management of Solid Waste in Palau" by Calvin Ikesiil, Manager, National Solid Waste Management; "Importance of 3R Education" by Mengkur Rechelulk, Educator, National Solid Waste Management.

Minister Jackson Ngiraingas of the Ministry of Public Infrastructure, Industries, and Commerce (MPIIC) concluded the occasion with his closing remarks.
